# Wine TRIVIA

## 1. **How many grapes are needed to produce a single bottle of wine?**

Answer: around 600 grapes.

## 2. **Which country is the largest wine producer in the world?**

Answer: Italy, followed by France and Spain.

## 3. **What is the oldest known bottle of wine still in existence?**

Answer: a bottle from 325 AD, discovered in Germany and preserved at the Speyer Museum.

## 4. **Why do we swirl wine in a glass before tasting it?**

Answer: it releases the wine's aromas and improves oxygenation, enhancing its bouquet.

## 5. **How many grape varieties are there worldwide?**

Answer: over 10,000, though only about 100 are commonly used in winemaking.

## 6. **What does the term “terroir” mean in winemaking?**

Answer: it refers to the natural factors (soil, climate, topography) that influence a wine's quality and character.

## 7. **Which wine pairs best with seafood?**

Answer: dry white wines like Sauvignon Blanc or unoaked Chardonnay are excellent choices.

## 8. **What's the preferred cork type for sommeliers: natural cork or synthetic?**

Answer: natural cork, as it allows the wine to “breathe” slightly, which is ideal for aging.

## 10. **What is the largest wine bottle size?**

Answer: the “Melchizedek,” which holds 30 liters, equivalent to 40 standard bottles.
